Tansun's unique infra tan unit can be used for therapeutic applications.

Infra red has been used for local treatment of muscle pains for many years; however now it is possible to offer a full body treatment. When infra red is combined with UV, it forms the next best thing to sunlight.

It can offer benefits to acne, eczema, psoriasis, ease arthritis & help soothe muscle pain. All this and a tan!

Soothing, relaxing and healing! A questionnaire will establish the best treatment length for you.

NEW AT TAO

Threading

Threading is a proven age-old form of facial hair removal practiced in India, China and Middle East. The procedure uses 100% cotton thread, which is twisted and pulled along the skin surface lifting unwanted hair directly from the follicle. As the facial hair is removed, only a slight pinch is felt.
